BHAGYASHRI SAWANT   [SAUCE CONSULTING]

I come from a non-It background. When I attended an Introductory session of the CAP program, Sudhanshu sir gave me the confidence that this program is specially designed for non-IT people and I enrolled myself. Sudhanshu Sir is a very creative teacher. His real-time examples along with the doodles, make you remember the concepts forever.

[360 CLOUD]   **SURAJ B.**

Thank you so much Sudhanshu sir for giving me chance to become a part of Premium Learning systems. The training provided by you was very helpful for me and today got 1st job just because of your Guidance, support and motivation. It wouldn't have been possible without you. Your Training made me to survive everywhere in the Salesforce world . Thank you

ANANYA BISWAS BHATTACHARJEE   [EXTENTIA]

was at a crossroad in my career , where i wanted to learn something new and reskill myself . Sudhanshu gave me a positive direction and guided me on how to go about it . His method of teaching Salesforce is very different , whether it is laterals or freshers , all feel very comfortable with the subject from day one Thank you Sudhanshu , for all the help

[MINDTREE]   **YOGESH DIGAMBAR**

It is my pleasure to be a part of Premium Learning, the way you taught us is very different and effective. I learned lots of things related to life as well as to salesforce development. And because of that, I was able to clear the interview.

GULJAR SHAIKH   [TATA]
